STATISTICAL PROFILES OF ONTARIO MANUFACTURING INDUSTRIES

ONTARIO MINISTRY OF
INDUSTRY AND TOURISM

FOREWORD

This new edition brings to the user production statistics for 1978 and trade statistics for 1979, for each of the 172 Ontario manufacturing industries classified according to 3-digit or 4-digit SIC (Standard Industrial Classification).

This manual is produced primarily for internal use within the Ministry of Industry and Tourism. However, additional copies have also been printed to meet with specific external requests.

Statistical aggregates of all Ontario manufacturing industries are shown on the following page. Statistics Canada is the source of data provided in this booklet.

To Find Individual Industry Pages

1. Use Index to find the name of industry listed in alphabetical order.
2. Identify its SIC number at right.
3. Locate the text according to SIC number.

Inquiries on data contained in this publication should be directed to Market Research Section, Program Planning and Analysis Branch, Policy and Priorities Division, Ministry of Industry and Tourism, Queen's Park, Toronto. Telephone 965-4347.
